

GOVERNMENT OF TELANGANA

MJPTBCW RESIDENTIAL DEGREE COLLEGE (Women) Station Ghanpur.

(Affiliated to Kakatiya University)

email id :mjptbcwrdcstationghanpur@gmail.com

KU College Code: 660

DEPARTMENTAL ACTIVITIES OF PHYSICS

❖ **Guest Lecture (on 01-04-2026):**

✚ **Guest: Dr. Narla Varalaxmi, Chairman BOS, Department of Physics, Kakatiya University**

✚ **Topic: Nanotechnology**

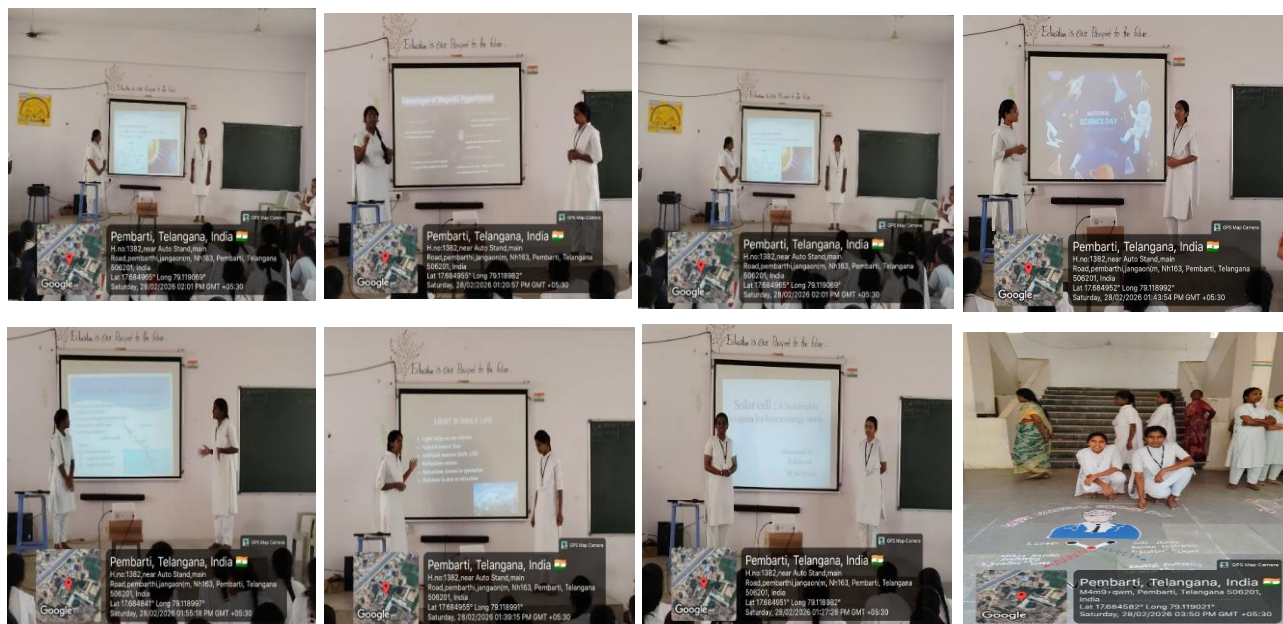

❖ Science day celebrations 2026:

🚦 Students participated in Rangoli and power point presentations:

PPT Presentations on the topics:

1. Thermoelectric materials for energy harvesting applications.
2. Solar Cell-A sustainable solution for future energy needs.
3. Physics in day to day life.
4. Total internal Reflection.
5. waves.
6. Magnetic nanoparticles for hyperthermia applications.
7. Future of quantum computers beyond the classical limits.

Students participated in science day celebration held in the college on 28-02-2026

Students participated in Science Day Celebrations 2025:

Students participated in science day celebration held in the college on 28-02-2025
