About the Department

The Department of Political Science was established in the college in April 2023. Initially, the department offered B.A (H.E.P). Later, B.A (H.E.P) and B.A (H.E.P) programs were introduced with a variety of Political Science subjects. The faculty continuously strives to enrich students by adopting innovative teaching and learning methodologies. For practical subjects, the department organizes guest lectures by eminent personalities from professional fields. The department also conducts remedial teaching for average students,

and student progress is monitored through a mentor-mentee system. Our faculty has a strong academic record and actively participates in co-curricular activities such as seminars, workshops, syllabus restructuring, and national/international conferences.

Objectives

- To train students in the fundamental methods of Political Science at the postgraduate level to understand the political scenario of society.
- To provide an understanding of the basic principles of Political Science and enable students to appreciate and develop awareness to work in contemporary political systems.

Vision

To develop the Department of Political Science as a Centre for Advanced Studies in Social Sciences.

Mission

To start courses in emerging areas (as per UGC guidelines) such as Indian Government and Politics, Social Movements, and International Relations under the CBCS system.

Academic Programs

- B.A (History, Economics, Political Science)

Career Opportunities

- 1) Civil Services – Preparation for UPSC and state-level civil services examinations for roles in administration, policy-making, and governance.
- 2) Government Departments – Opportunities in ministries such as External Affairs, Home Affairs, Finance, and local government agencies.
- 3) Legislative Roles – Assisting legislators or working as aides to elected officials.
- 4) Foreign Service – Positions in embassies and international organizations.

Expected Outcomes

- To create, apply, and disseminate knowledge of Political Science in theoretical and applied domains.
- To develop the ability to identify, formulate, analyze, and understand political theories through critical thinking.

- To enable students to apply ICT-based applications of Political Science using software like SPSS.
- To encourage research culture and provide research opportunities.

Teaching Experience & Publications

- Teaching experience of 17+ years in reputed institutions.
- Publications in Telugu Academy.
