

International Sports Day 29 AUGUST 2025 . Theme "EK GHANTA , KHEL KE Maidan Main"

Importance of International Sports Day for Students

International Sports Day is important for students because sports help them stay healthy, active, and confident. It also teaches students valuable life skills.

- **Keeps students healthy** – Sports improve physical fitness and strength.
- **Improves concentration** – Regular exercise helps students focus better on their studies.
- **Teaches teamwork** – Students learn to cooperate and work with others.
- **Builds confidence** – Sports help students become more confident and courageous.
- **Develops discipline** – Students learn time management, regular practice, and responsibility.
- **Teaches sportsmanship** – Students learn to accept both victory and defeat positively.
- **Reduces stress** – Physical activity helps students feel relaxed and happy.
- **Develops leadership skills** – Sports give students opportunities to lead and make decisions.

Conclusion: International Sports Day reminds students that education and sports are both important for their overall development.
