

TELANGANA PRAJA PALANA DINOTSAVAM ON 17 TH SEPTEMBER 2026

The Government of Telangana officially observes September 17 as **Telangana Praja Palana Dinotsavam**. The day reminds us of the historical journey of Telangana and the importance of democracy, people's participation, equality, and good governance. Praja Palana means **people's governance**. Democracy becomes stronger when citizens understand their rights and responsibilities and actively participate in the development of society. As students and future citizens, we should respect our Constitution, maintain unity, protect our culture, and contribute to the progress of our state and country.
